SUPPLEMENTARY EXAMINATION AND RE-EXAMINATION

Students who sit for Supplementary Examination or Re-examination (if applicable) are awarded the grade appropriate to the marks they obtain.

UNITS

Units measure the academic workload of a student. One (1) unit corresponds to 2.5 hours of study and preparation per week in a regular semester, so a 4-unit course requires 10 hours of work per week, including classes, assignments, and self-study.

GRADE POINT AVERAGE (GPA)

The Grade Point Average (GPA) tracks the academic progress of a student. It is the weighted average grade point of all courses taken by the student, unless specified otherwise. Courses with no assigned unit or grade point are excluded from the calculation of the GPA.

GRADE-FREE SCHEME (GFS)

The Grade-free Scheme (GFS) provides up to 32 units of Satisfactory /Unsatisfactory (S/U) option to support undergraduate students in making a successful transition to university life. If the S/U option is exercised on a course, its grade will not be computed towards the GPA. Course units will be recognised towards the degree if an "S" grade is attained, and will not be recognised if a "U" grade is attained.

LEAVE OF ABSENCE

Only leave of absence of one semester or longer is recorded in the transcript.
